Sub: Establishment - lorry and road roller drivers supply of uniforms - sanction - regarding.

Ref: Your letter No.F1.12543/53 dated 10-8-53.

The supply of uniform to the superior staff under a municipal council should be permitted only for special reasons such as the nature of the work done by them taking them frequently close to oiled parts of the machine and the likelihood of their clothes being damaged often as otherwise there is no justification for the supply of uniform to them. Please state whether there are any special reasons in this case for the supply of the uniform to the lorry drivers and road roller drivers and if so you may apply to Govt. for sanction through this office giving full particulars in justification of the proposal.
